

GCDonate

Divestment solution (July 2022)

What is GCDonate?

GCDonate is GCSurplus' newest online divestment platform designed to advertise government surplus moveable assets available for donation to eligible and registered organizations across Canada

Who is eligible?

Surplus assets may be donated to:

- Registered charities and non-profit organizations across Canada
- Municipal and provincial governments in Canada
- Indigenous Peoples
- Other national governments
- Treaty organizations of which Canada is a member
- The United Nations

How to register?

Eligible organization can register [here](#)

- Registering is quick and easy.
- Once approved, organizations can start to view and request items available for donation.
- Selected donation recipients will receive an email along with an Authority to Donate (ATD) form.
- Donation recipients will need to contact the asset owning department, as indicated on the ATD form, to schedule the removal of the asset(s).
- A copy of the ATD form will be required upon pick up.

Greening Government

Greening Government Initiatives

Through our various service lines, we support Greening Government initiatives and strategies including the second-hand economy through:

- Re-use
- Repurpose
- Transfer
- Sale
- Donation
- Recycling

Second-Hand Economy

We are proud to support socially and environmentally responsible consumerism with sustainable asset management and divestment solutions by:

- Providing a second life to surplus assets
- Optimizing asset performance and minimizing costs
- Increasing life cycle of surplus assets
- Committing to keeping surplus assets out of the landfills to reduce our environmental footprint.
