

BLACKS HARBOUR SCHOOL

Powered by United Way, Saint John, Kings & Charlotte

OVERVIEW OF FUNDED PARTNER

Blacks Harbour School focuses on providing important spaces, through After School and Summer Slide programs, for children requiring additional academic and social supports to improve their chances of future success.

IMPACT

Family Supports & Academic Success

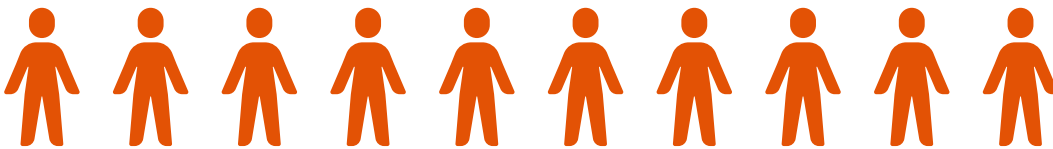

We have a younger student who had poor attendance previous to their participation in our Beyond 2:30 Program last year. They have had a sibling in the past have success through our programs, so we were hopeful for them as well. The student's attendance began to increase, as they looked forward to attending the program everyday!

After speaking with the guardians about their child's attendance and how much they enjoyed the Beyond 2:30 Program, we decided to have them attend for Summer Slide. The student missed minimal time, and made amazing strides in their literacy and numeracy! They increased their levels in both, which was fantastic! This student has continued to attend our Beyond 2:30 Program this school year and has had great attendance, given all of the barriers this year has brought. This student has absolutely been positively impacted, both socially and academically, by the programs we are able to provide through the generous funding from United Way!

Allowing Kids to Be All That They Can Be

86% of outcomes set with United Way were met or exceeded in 2021.
