

The Sunnyside Community

A Supportive Housing Development

The Sunnyside Community is one solution to the housing crisis that is currently impacting the Saint John area. The community will be home to 70 high-quality, deeply affordable units, with appropriate wrap-around supports to ensure tenants can remain successfully housed, reach their personal goals and rebuild their lives.

Quick Facts

70 modular units, including some accessible units

Site construction beginning soon!

Wrap-around supports provided by a community partner

Supported by donors and governments

Our Impact

United Way Maritimes

Owned and operated by United Way Maritimes offering affordable, supportive housing to 70 residents.

Rent & Affordability

Rent is 30% of income, including utilities like power, water, and internet.
