# 2020 REPORT TO COMMUNITY

## COMMUNITY PROJECTS

- Non-Profit Capacity Building
- Coaching Skills Training
- Volunteer Coordination
- Executive Director Coaching/Mentoring
- Mental Health Workshops
- Measurable Outcomes Project

FINN AND AMY

8 year old Finn and engineer Amy were a perfect match! Both love science & learning and during COVID planned many virtual projects like designing a hotel for Amy's cats, drafting diagrams & Amy made Finn "chief engineer" of a project. **Amy enjoys Finn's sense of humor, love of learning, & creativity. Finn is always excited to spend time with Amy.**

## COVID-19 RESPONSE

**\$957,222 of additional funding**

- United Way Atlantic Compassion Fund
- Administration of Government of Canada
- COVID-Response Funds:

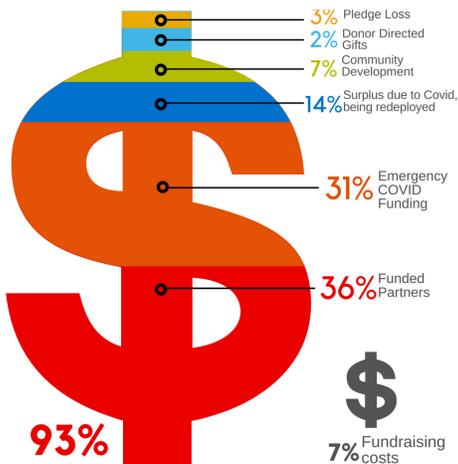

- New Horizons for Seniors
- Emergency Community Support Fund

## MADSEN

Due to a disability, Madsen is unable to drive a vehicle. Charlotte Dial-a-Ride helps Madsen get to the Community Living Centre in St. George 4 days a week to socialize, continue her education, take courses and learn workplace essential skills.

**"The service at Charlotte Dial A Ride has been a literal lifesaver for us, especially for our daughter."** -Madsen's parents

NATUSHA

A mother of two on social assistance, Natusha says she wouldn't be where she is if not for the programs and support she received from the Women's Empowerment Network, **"The programs are life-changing.** If you go and you give it the effort, you'll see a change, not only in yourself but in your surroundings as well, because you learn how to deal with things differently." Now a student at NBCC, Natusha continues to receive coaching from WEN and is so inspired that one of her goals is to work with WEN to help other women.
